OUR MISSION:

The purpose of the "Society" is to provide foster care, adoptions and/or the placement of animals that the Society" rescues from any animal facility within Levy County. Funds will be used to facilitate the needs of rescued animals. The "Society" also will provide education on the topic of animal care, spay/neuter, animal cruelty and general animal welfare. The mission of the "Society" is to encourage humane care and treatment to all animals.
